

14 November 2016

Dear Parents/Guardians

In 2017 our Year 4 students will be eligible to take part in the APS (Associated Private Schools) inter-school sporting carnivals. The first APS sporting carnival is Cross Country which is held during Term 2.

At the end of each year we hold a trial cross country run for the students of Year 3. The results of this trial run provide us with information about the Year 3 students coming into Year 4 and therefore assist us in selecting a Cross Country Training Squad which will begin training at the beginning of Term 1, 2017.

The trial run is being held on Thursday 24 November at 8.45am and all Year 3 students are encouraged to participate. Students who perform at a high level will be invited to join the 2017 Cross Country Training Squad. By no means is this the only trial. The College also recorded the top finishers from the 2016 Inter-house Cross Country Carnival.

The trial run will be over a 1.5km course within the College grounds. On the day, students will be required to bring their College HPE uniform to school. Please also ensure your child has their College yard hat and a full water bottle on this day.

Please note that all students from Years 3-6 will be welcome to join the Cocurricular Running Club next year.

If you have any questions please contact your child's classroom teacher or Samantha Taylor on [staylor@cac.qld.edu.au](mailto:staylor@cac.qld.edu.au).

Yours sincerely

Mrs Samantha Taylor  
**CROSS COUNTRY COORDINATOR**
