Fees

The cost for the swimming programme has been included in your child's tuition fees.

Uniform

Students will be required to change in the Rod Lane Centre change rooms adjacent to the pool.

Students are **not** permitted to wear the taslon sports shorts over the top of their normal swimmers. However, the Year 9 Girls may wear navy blue bike pants over their normal

swimmers. The College swimmers can be ordered and purchased from the uniform shop. Students should bring along a plastic bag to carry their wet clothing and towel. Students may also purchase a College UV protection shirt from the uniform shop, however, this is **not** a compulsory item for this year level.

It is strongly recommended that students apply SPF 30+ sunscreen before this activity. Sunscreen will also be provided by your child's HPE teacher.

Non-Participation

The Water Polo programme is a compulsory component of the Health and Physical Education programme at the College, and as such, all students are required to participate. If a student is unable to swim during one week, it is expected parents should write a note explaining their child's non-participation. If a student is unable to participate in the entire programme, then a medical certificate is required. Students who miss one lesson without a valid excuse will have a lunchtime detention whilst subsequent non-participation will result in an after school detention. Non-participants are still required to attend the swimming lessons with their class.

If you have any questions or queries about the Water Polo programme, please feel free to contact me at the College.

Yours sincerely
