

24 July 2017

Dear Parents/Guardians

**RE: DIGITECH CLUB**

In Term 3, Primary students from Years 5 and 6 are invited to participate in range of College activities outside of class time that will allow them to explore new technologies, such as robots, drones, Minecraft, ROBLOX Studio and Makey Makeys to name a few.

Please note these activities are open to College students in Years 5 – 12.

The timetable for Term 3 is shown below. To register your interest, please click [here](#) to go to the Digitech Club Passmarc course and access the expression of interest form. All sessions are free of charge.

The Digitech Club is based in the secondary campus, in a Makerspace between the IT Office and Chinese Room.

Day	Monday	Tuesday	Wednesday
7:45 am – 8:15 am	No sessions	* Papert Project	* Papert Project
3:20 pm – 4:10	STEM Club Primary Cocurricular (full)	Robotics with Mr McMahon	Drone Squadron with Mr Jorgensen

\* The Papert Project allows students to work on a task that they determine with teacher supervision and support.

For further information please contact me via email [mjorgensen@cac.qld.edu.au](mailto:mjorgensen@cac.qld.edu.au)

Yours sincerely

Matthew Jorgensen  
**ELEARNING SUPPORT MANAGER**
