Dear Parents/Guardians

Coomera Anglican College belongs to a larger Anglican Community that works to assist those in our community who are less fortunate. This year we are working with our College community to support the wonderful work that Surfers Paradise St John's Crisis Centre do for these families <https://stjohnscc.org.au>.

We are asking for donations of the following items for Christmas Hampers that will be distributed to those in need.

As a College community, we focus our thoughts around Christmas as being a time to show thankfulness for all that we have. This is an opportunity for the students in the Primary Campus to practice giving and sharing with others.

Thank you for helping us to teach the children the importance of sharing, not only with one another, but also to members of a wider community.

Yours sincerely
