Instrumental Teaching Programme

Dear Parents,

Welcome to the Music Department's Instrumental Teaching Programme. This booklet provides you with all the information necessary to enrol your child for individual and group music lessons.

Learning a musical instrument involves a serious commitment and students need to be prepared to practise regularly in order to make good progress. In order to compliment the Music lessons undertaken by students it is extremely important that they further develop this knowledge by participating in a College Music Ensemble. Instrument Hire

Students can hire instruments through music businesses for the duration of the academic year and for longer in some cases. Please speak with specialist tutors or the Music Department for guidance in this area.

Examinations

We strongly support the benefits gained by students sitting external music examinations and students are prepared for Australian Music Examinations Board (AMEB) or Rock School or Trinity College Examinations, if required. Arrangements and preparation for the examinations must be discussed with the instrumental teacher at the beginning of the year so that adequate time is left for preparation. Extra costs will be incurred if students choose to sit an examination. The prices vary and are dependent upon the level. Brass, woodwind, string and vocal examinations will also require an accompanist. As professional musicians, accompanists will need to be paid for any rehearsals and for the music examination itself. Instrumental music teachers can provide further information on this cost.

Music Lessons

Students can enrol in either individual, group or theory lessons.

Individual Lessons

Individual lessons are available on a 30 minute basis. Advanced students preparing for an AMEB or Trinity College exam may require a longer lesson and this can be arranged with approval. Fees will then be adjusted accordingly.

Individual Fortnightly Lessons

Individual fortnightly lessons are available on a 30 minute basis per fortnight.

Paired Lessons

Paired lessons are available providing there are enough students enrolled for lessons in that particular instrument. It is up to the teacher's discretion to offer paired lessons. A paired lesson is 30 minutes and a trio lesson is 45 minutes in length. Group lessons are not recommended for piano, however, keyboard group lessons are possible.

Theory Lessons

Theory lessons are available on a group basis, providing there are enough students enrolled for lessons at the student's particular level. Theory group sizes are 5 – 8 in number.

Fees

Registration Fee	\$5 (per academic year, for each student, not each instrument)
Individual Lesson	\$36 (per student, per 30 minutes)
Individual Fortnightly Lesson	\$36 (per student, per 30 minutes / fortnight)
Paired Lessons	\$18 (per student, per 30 minutes)
Theory Lessons	\$9 (per student) + \$5.00 Registration Fee

Music examinations are subject to the fee schedule set by the AMEB or Trinity College. Speak to your teacher or contact the AMEB or Trinity College for further information.

Payment

Parents are required to pay tuition fees per term in advance. Parents will receive an account in Terms 2 (which includes Term 1 fees), 3 and 4. **Payment is required by the due date as noted on the College fee statement.** If payment is not received, tuition will be discontinued.

Book Requirements

Parents will be required to purchase music and a notebook for their child. Please speak to the teacher to arrange the purchase of music. A Music Practice Booklet will be supplied to each student.

Enrolment

To begin lessons, a Registration Form must be completed and returned to the office or to Mrs Pollard in the Music Department. Tuition is for a full academic year. Any requests for a change to the period of tuition should be made in writing. **At least 2 weeks notice is to be provided and the changes will be in effect at the start of the next College term.**

Attendance/Absence

Students must attend all lessons. **Punctuality is vital!** If the student is absent due to illness, parents are obliged to contact **both** the instrumental teacher **and** the College **before the start of the College day** to cancel a lesson, otherwise the lesson will be forfeited. If a lesson is missed through a planned absence (ie camp, excursion) then students are given a make-up lesson.

All Secondary students must attend scheduled class examinations. If these coincide with a scheduled music lesson, it is the responsibility of the student to negotiate with the music tutor for an alternative lesson time. This must be done in advance or the lesson will be forfeited.

If sufficient notice of absence from a lesson is not provided in advance, the lesson will be forfeited and parents will be charged.

Contact: Parents are encouraged to contact instrumental staff with any concerns about lesson progress or suggestions on how to encourage their child's musical development.
