The Gretel Tippett Trophy is a one-day netball competition for invited schools across the Gold Coast and New South Wales. Coomera Anglican College will enter one team per year level. This team will consist of the APS Years 4, 5, 6 'A' Teams and any invited players.

SPORT TRAINING

A condition of the APS sports competition is that all Colleges provide training for their teams in both Season One and Season Two Competitions. As a result, training for APS competition is **compulsory for all students**. Training details are as follows:

PRIMARY TRAINING DAY (YEARS 4-6)

Day: Tuesday afternoon
Time: 3.15pm – 4.15pm
Frequency: **Term One: Weeks 8 and 9**
Term Two: Weeks 2- 7 (no training Week 5, 21 May)
Term Three: No afternoon training
Term Four: Weeks 1-8

With the exception of tennis (Hope Island Tennis Centre, TBC), all training is conducted on campus.

Parents and students are **strongly encouraged** to avoid making appointments for their children on a Tuesday afternoon. It is also requested that students who catch public transport home on Tuesday will need to make alternative arrangement on this day. Students with transport problems are asked to discuss this situation with their coach or Class Teacher so alternative arrangements can be made.

Training is conducted between 1.45pm and 3.00pm on Thursday afternoons. **Tennis participants will train at Hope Island Tennis Centre, all other students train on the College campus.**

STUDENTS ABSENT FROM TRAINING

Only in very special circumstances are students exempt from attending after school training, and this rare exemption is only achieved through a formal written request for consideration of the individual's unique or unusual circumstances. The request should be directed to the Head of Primary, Ms Lisa Kraft, lkraft@cac.qld.edu.au

WET WEATHER/CANCELLATION

Coomera Anglican College policy is as follows:

Parents will be informed via email or Facebook if sport training is cancelled due to inclement weather. Students who are unable to be picked up will be supervised at the Rod Lane Sports Centre.

The decision whether sport training will proceed or not, is to be made by the Primary Sports and Activities Coordinator in consultation with the Head of Primary. Students and individual coaching staff cannot make the decision for their respective team.

APS SPORT CANCELLATION

In the event that APS sport is cancelled on a particular Thursday afternoon, it is most likely that an academic timetable will follow on that occasion. Students are required to remain at College and be fully prepared for classroom lessons.

CHILD PROTECTION

STATEMENT OF COMMITMENT

Anglican schools support the rights of children and young people and are committed to ensure the safety, welfare and wellbeing of students. Anglican schools are therefore committed to responding to allegations of student harm resulting from the conduct or actions of any person including that of employees.

This commitment includes the provision of a safe and supportive living and learning environment for all students and requires all employees, volunteers and visitors to model and encourage behaviour that upholds the dignity and protection of students from harm.

POLICY

Coomera Anglican College adheres to the child protection policy and procedures set by the Anglican Diocese of Brisbane - *Student Protection in Anglican Schools Policy and Procedures 2015*. The Diocesan policy applies to all employees - paid or unpaid, full time, part time, casual and volunteers - associated with the College. The *Student Protection in Anglican Schools Policy and Procedures 2015* policy document is available on the College web site and on Passmarc.

The Diocesan policy specifically applies to students under 18 years of age. It is also recognised that at times young adults (that is, persons aged over 18 but less than 25) participating in Diocesan activities may be vulnerable. Accordingly, schools must take care to promote the welfare and best interests of young adults. Reporting information or allegations of harm concerning a student within a school is mandatory. Legal and Diocesan consequences will apply to any employee or other person where such behaviours occur.

All employees of the College share in the responsibility to promote and strive to provide a safe environment for students across Anglican Schools. This responsibility is placed upon them by the Gospel teachings of Jesus and the law.

The Diocesan policy outlines the obligations, roles and responsibilities of employees (staff members), volunteers and visitors to all Anglican schools to appropriately respond to and report all allegations or suspicions of:

- sexual abuse or likely sexual abuse by another person of:
 - a) a student under 18 years attending the school;
 - b) a pre-preparatory age child registered in a pre-preparatory learning program at the school;
 - c) a person with a disability who -
 - i. under section 420(2), is being provided with special education at the school; and
 - ii. is not enrolled in the preparatory year at the school
- significant harm or unacceptable risk of significant harm of a student (child under 18 years of age) or an unborn child, after his or her birth; or
- inappropriate behaviour by an employee or volunteer towards a student.

The Diocesan policy applies to all employees and other persons, such as parents, carers, clergy, volunteers, contractors and consultants.

RESPONSIBILITIES

All employees, volunteers and visitors of Coomera Anglican College are required to:

- ensure they are conversant and comply with child protection legislation and this Policy;
- ensure that their behaviour neither encourages nor supports behaviours in others that undermine the purpose of this Policy;
- report all allegations of sexual abuse or likely sexual abuse of a student by another person;
- report to the Student Protection Officer or Principal any information or allegation of harm that the employee is aware or reasonably suspects has been caused to a student by another person;
- report all allegations or concerns of inappropriate behaviour of an employee or volunteer towards a student
