Dear Parents and Guardians

Car Pooling

In order to ease traffic congestion in and around the College, PAFA has set up a Carpool Registry on Facebook. This is a closed group, so only College families will have access to this information.

You need a Facebook account in order to view the page. You can find the Coomera Anglican College Carpool Registry by clicking on the following link, and ask to join the group:

<https://www.facebook.com/groups/237706522977526/>

PAFA is providing the portal, however it is up to each member to make contact and organise your own carpool with others in your area and on days that suit you. Please do not leave feedback or post other comments on this page, it is purely for organising carpools. Feedback and suggestions are welcome by emailing PAFA at pafa@cac.qld.edu.au

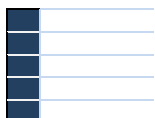

The benefits of carpooling include: enhanced interaction with College families, less time stuck in traffic, reduced fuel costs, reduced stress and, of course, it is better for the environment. Carpooling is also flexible – use it once a month, or everyday, the choice is yours!

It usually takes a little time to arrange everyone's routine into a harmonious pattern, so make sure you give it couple of weeks before deciding whether carpooling works for you and your family.

Happy carpooling!

Yours sincerely
