

Welcome to the 2017 Family Business Directory, an initiative that values the importance of supporting family-owned businesses, enterprises and services within our own College community.

The 2017 Family Business Directory is a promotional opportunity offered exclusively to our College families, staff and past students. Listing in the Directory provides direct exposure for your business to over 900 College families, 200 staff and 900 past students, as well as all visitors to our College website. We encourage our College community to support the family businesses listed in the Directory and in doing so, support our local community, economy and skills base.

The annual subscription fee of \$110 includes the following exceptional benefits for your business:

- ✧ The Directory is available on an easily accessible, dedicated College app link as well as the College website page, with all listings hyperlinked to your business phone, email and website.
- ✧ A link to the full Directory will be promoted on the College social media sites.
- ✧ Throughout the year, each listing will feature as our “Business of the Week” on:
 - College Facebook page and associated group pages; and
 - Gumleaf Gazette newspaper.
- ✧ A link to the full Directory will be emailed to the entire College community.
- ✧ Membership to the newly-formed ‘CAC Connections’ business networking group for all business owners listed in the Directory.
