Dear Parents/Guardians

PREPARATORY AND YEAR 1 TOILETING PROCEDURE

On occasions, younger students may experience toileting accidents during the College day. To assist with this matter, we ask that clean underwear is packed in your child's College bag. If your child has an accident and does not have their own spare underwear available, the College will provide a new, clean pair of underwear. Due to hygiene rules, your child is required to have new, unused underwear. In this instance, you will be notified of the incident via a diary sticker, and you will be asked to reimburse the College.

Yours sincerely

Mrs Amanda Shuttlewood
COORDINATOR OF TEACHING AND LEARNING (PREP-YEAR 6)
